To Whom It May Concern,

I am in favor of restoring funding that will protect the borrow IT program. As a member of a small library with a limited budget, our patrons rely on the ability to borrow materials from other libraries that we can't afford to purchase.

Therefore, I strongly urge the legislators to return borrow IT funding at the cost of \$806,000 each year of the fiscal 2018/2019 budget.

Thank you.
